

Vinylpostcards

Records in a postcard format that are accessible both in analog and digital

- Inspired by the postcard records from the 60's and the 70's, and have been redeveloped with state-of-the-art technology
- Resilient and long lasting grooves
- Dynamic frequency response across the full audible spectrum
- High quality appearance and feel
- Design is fully customizable
- Playback on any manual record player

Playing time of
3:00 min at 45 RPM
3:30 min at 33 RPM
